Providing Government With Carpet & Hard Surface Sales, Installations, Repairs

Capability Statement

Business Summary:

Providing sales, service, and solutions for our government contractors through our extensive knowledge of the floor covering industry.

Company Overview:

With over 40 years experience available to you, we will provide the products and services you need dependably and expertly. Our long-term contacts within our field allow us great flexibility to serve your needs. Our reputation for high-quality services ensures the best value possible. We are dedicated to assist your organization with the many choices the floor covering industry offers. Our quality services have resulted in steady and sustained growth for several decades. Floor covering sales, installation and repairs. We can provide "environmental stewardship" through our use of "green LEED" applicable products including carpet, hardwood, laminate, vct and ceramic along with many other flooring products. We employ expert installers who arrive on-time, finish the work contracted expediently and flawlessly.

Key Personnel:

Terry D. Miller is the owner of Classic Carpets, Inc. and brings to the table over 40 years of product knowledge and understanding of the complexities of running a business seamlessly. Organized and proficient in a fast-paced environment, Terry offers his long-tested practice of public relations and product knowledge to his customers, effectively understanding and handling all logistical concerns while guiding the project from inception to completion. These skills have created a successful and profitable business with many satisfied customers.

Joshua A. Smith is the newest member to our team at Classic Carpets, Inc. He comes from a background of residential and commercial construction for the past 12 years. Joshua is known for his personable and easy going style and his commitment to detail. Joshua will spend the time you need and use his expertise to help you through your flooring project. With a “good eye” and his attention to detail, you will find his help and guidance through the process of choosing the “right” product invaluable.
